

## NHA Request for Accommodations

Accommodations may be available to individuals with documented disabilities pursuant to the American with Disabilities Act (ADA). NHA provides reasonable testing accommodations to candidates whose documented disabilities or other qualifying medical conditions hinder their ability to take the examination under standard conditions. To be considered for special accommodations, please complete the NHA Request for Accommodations Form in its entirety. Please be aware that submission of a request for an accommodation does not guarantee testing accommodations. Decisions will be made on a case-by-case basis considering the information submitted and in accordance with the law.

Requests for accommodations will be processed as quickly as possible. Candidates should allow for a minimum of 30 days for processing, with the understanding that some cases may take longer. Candidates should **include all of the required documentation** (see instructions below for what is required) **with their initial request**. Candidates **MUST** register online prior to requesting accommodations by going to [www.nhanow.com](http://www.nhanow.com) and completing the registration process. Candidates must complete the registration process on their own behalf.

Candidates will be notified in writing of the decision regarding their request for an accommodation. Candidates who receive a testing accommodation are subject to the same policies as all other exam takers. NHA reserves the right to make final judgment regarding testing accommodations.

### Attachment instructions

1. Attach a letter from an objective physician or healthcare professional qualified to diagnose the disability or medical condition and render an opinion as to the need for an accommodation. An “objective” professional is one who is not the requestor or related to the requestor. The letter must be dated within 2 years of the anticipated date of your exam. If you are a high school student, or postsecondary student who is within 2 years of high school graduation, an Individual Educational Plan (IEP) may be used in lieu of the letter provided the IEP is actively in place. The letter or IEP **MUST** include the following:
  - a. The specific disability/diagnosis. Mental/emotional disabilities must be accompanied by a numerical DSM-IV classification code.
  - b. A brief explanation of how this condition limits the candidate’s ability to take the exam under standard conditions.
  - c. If this is not a permanent disability or diagnosis, include date first diagnosed, approximate duration, and method used to make the diagnosis.
  - d. Specific accommodations required. These accommodations should be adequate without creating an unfair advantage. Please note that candidates who require extra time to complete the exam will be given 1 1/2 times the standard allotted time. If more time is needed, the letter or IEP must specifically state how much time is needed and why that amount of time is required.
2. Attach the completed Request for Accommodations Form (next page).
3. Submit the form and all documentation to National Healthcareer Association (NHA) via fax, email or mail:
